Allied Interior Solutions

Your Trusted Partner in Multifamily Cabinetry and Countertops

Why Choose AIS Cabinets

Dependable Supply & Service - On-time delivery and responsive field support keep your projects on schedule.

Made in the USA - Every cabinet is crafted in Texas using state-of-the-art, cloud-based manufacturing systems for precision and efficiency.

Durable by Design - Our products are scratch-resistant, stain-resistant, and fade-resistant, ensuring long-lasting beauty and performance.

Trend-Setting Styles - Choose from a wide variety of traditional and modern finishes to bring your design vision to life.

Seamless Project Management - Dedicated project coordinators ensure your project runs smoothly from design to installation.

Our Cabinet Collections

Our Pre-finished cabinet lines feature an attractive range of solid colors and wood grain designs, available in multiple door styles, finishes, hardware, and hinges.

We manufacture both Framed and Frameless cabinets, including Thermofoil and Melamine options, built to meet superior construction specifications that exceed industry standards.

The AIS Difference

Over 200 years of combined experience in cabinetry and countertops

Cloud-based manufacturing technology for shorter lead times

Dedicated project coordinators for every client

Expert design support and shop drawing assistance

Superior materials and craftsmanship for lasting value

Dedicated field teams with reduced job volume to deliver precision and focused attention on every project

From concept to completion, AIS is committed to delivering the highest level of satisfaction. We work closely with clients through every stage of the process—ensuring quality, accuracy, and efficiency at every step.

At Allied Interior Solutions, our goal is simple, to make the cabinet selection experience as effortless as possible while delivering American-made quality you can depend on.
